

TEACHING TO THE NEXT LEVEL PROGRAMME AT BELLEVILLE

This programme received 100% excellent feedback in 2018/19 and enables teachers to reflect on their own practice and examine techniques to take their teaching to the next level.

The programme consists of four one day sessions, focusing on key topics such as:

- **Metacognition**
- **Developing long term memory**
- **Identifying and addressing the learners needs**
- **Collaborative learning techniques**
- **Effective self-reflection**
- **Identifying critical moments**
- **Tackling the wider curriculum**
- **Children's mental health and wellbeing**
- **Educational theory**

There are opportunities to observe outstanding practitioners and unpick how and why they are successful. This course encourages a high level of self-reflection and embeds cutting edge educational theory into each session.
