Dear Parents and Carers,

Next week our Year 6 children head off on their five-day residential trip to PGL Marchant's Hill. The activities will be great fun and a lovely challenge, and in addition to this these trips offer so much in the way of personal development, helping to foster the independence that will be vital for a successful transition to secondary school.

Trips like these always feature in children's lists of 'most memorable school moments' and we know how many benefits they have for the children who take part in them. At Belleville, they are a key part of each year group's curriculum, and we ensure that they progress in terms of scale and challenge, as the children get older, in the same way the rest of the school curriculum does.

Have a great time, Year 6!

Sports Days

The weather certainly wasn't kind to us this week for the Year 5 and 6 sports day at Tooting Bec Athletics Track, and everyone's safety and wellbeing always comes first. The children enjoyed the events that they were able to take part in before the event was sadly rained off.

The weather was a little kinder for our Year 3 and Year 4 sports day on Wednesday, and despite the showers, the children were able to complete all the events.

Thank you to all the parents and carers who came along to support the sports days, and to all our staff team for arranging these events for the children. We have everything crossed that the rain will hold off for the Early Years and Key Stage 1 sports days over the next few weeks!

Secondary School Transfer

Thank you to all the Year 5 parents who came along to our Secondary School Transfer event this week. We hope you enjoyed the presentations by Wandsworth Council and Bolingbroke Academy and the secondary school showcase. For parents/carers whose children are in younger year groups, more information about the secondary transfer process and open days for local secondary schools is available on our website.

If you are worried about something or if you are worried about someone else, you can talk to ANYONE who works for the school.

Safeguarding is the responsibility of EVERYONE. Childline: 0800 1111

Year 2 Update

Year 2 have had a great start to the half term. They have been completing some 'special quizzes' to show off their learning from the year and we are so proud of the effort they have put in and all they have learnt this year. The children should be very proud of themselves!

In English, the children have been writing their own versions of Hansel and Gretel, changing either the setting of the story or the characters. They have impressed us so much with their creativity and we can't wait to read their finished stories!

Year 2 have also started their new science topic of 'Science All Around Us' and this week have been learning to identify birds in our local area. They went on a short walk to the common to observe the birds and their features, which was very exciting. They will build on this learning next week to understand what threatens bird populations in our local area and what we can do to help.

Honeypot - Thank you!

Thank you to everyone who supported our fundraising variety show for the school's Honeypot Fund. We raised over £5,000 which will help ensure all children are able to access all the opportunities we provide within school to enrich their learning experiences.

Thank you to all the staff team who bravely took to the stage or supported the event in many other ways, and especially to Maria Petrou, for all her amazing efforts to arrange this event for such an important cause. Thank you also to Belleville PTA for their support.
