Dear Parents and Carers,

With Year 6 out at their PGL residential trip this week, Year 5 have been our oldest year group and that is excellent preparation for next year when they will be our Year 6.

We put great stock in the importance of children being a fantastic role model for everyone in the school, and although this applies to every child in the school, it especially applies to Year 6. Their behaviour is important in setting the tone for the whole school community because we know that however old you are, people are directly influenced by the behaviour of their peers.

Year 5 are already fantastic role models for out CARE values and we look forward to them leading the school next year.

School Council: Pyjama Day in Support of Little Village

The School Council is excited to announce our Pyjama Day on Thursday 25 June!

Pupils are invited to come to school wearing their pyjamas or comfortable clothing in exchange for a £1 donation, with all proceeds going to Little Village, a local charity that makes a real difference to families with babies and young children by providing essential items and support.

To ensure everyone stays safe and comfortable throughout the day, please note the following:
- No slippers – all children must wear suitable outdoor shoes or trainers.
- Pyjamas should be appropriate for school and suitable for the weather.
- Children should be able to participate comfortably in all lessons and activities, including breaktimes and outdoor play.

We hope everyone enjoys taking part and thank you for supporting our fundraising efforts for this wonderful cause. If you would also like to support Little Village by donating pre-loved children's clothing (age 0 – 6 years) and equipment for babies and young children, please visit their website.

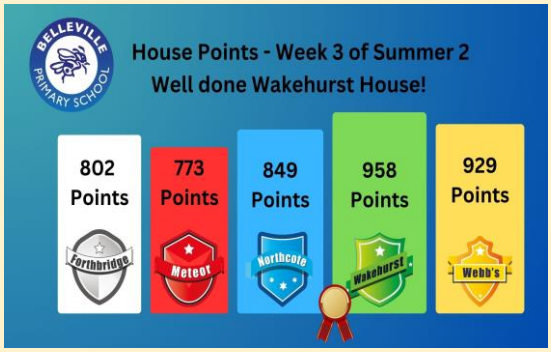
IMPORTANT - Road Safety and Yellow Lines

We are noticing parents/carers stopping on the yellow zig zag lines outside both school sites during the hours that the parking restrictions are in place for school drop off/pick-up. **Please do not drop off/pick up on the yellow lines. They are there for the safety of all our children. It is also illegal to stop on the yellow zig zag lines during the hours they are in operation.** We have spoken with Wandsworth Council and their traffic enforcement officers will be patrolling in the coming weeks.

If you need to drive to school, **please make sure that you drive slowly and with extra care on the roads around both school sites, and especially on the School Streets** (if you have an exemption, e.g. Blue Badge/WAND Card), as there are children on bikes on the roads as well as many children walking or scooting across the roads.

The Big Future

Dame Rachel de Souza, the Children's Commissioner for England, is holding a national survey for children and young people called The Big Future. At a time of significant change, it is more important than ever that their views are reflected in policy making. She would like to hear from children in every school across the country. If your child would like to take part, please visit the Big Future website.



If you are worried about something or if you are worried about someone else, you can talk to ANYONE who works for the school. **Safeguarding is the responsibility of EVERYONE.** Childline: 0800 1111

Year 4 Update

Year 4 have had a very busy start to their last half term this year. The children have enjoyed the start of their new topic in science, 'living things and their habitats'. They used their science enquiry skills to identify, group and classify a range of leaves that they collected from the local area. They carefully observed their shape and features and used an identification key to help them to classify the leaves.

Alongside this, they have been working so hard in maths. They have been busy exploring area and perimeter using concrete manipulatives. Through hands-on investigations, they have worked together to build shapes, measure sides and deepen their understanding of these key maths concepts. We would also like to say a big well done to the children for their huge efforts in learning their times tables up to 12×12 in preparation for their multiplication check, which they have now completed.

Music Update

We are really proud of our Year 6 children who put on a drumming performances for families and of Year 2, who have been listening to music from around the world, sharing their learning from this half term by playing three pieces involving rhythms from Senegal and Ghana in 2, 3 and 4 parts.

Cricket Success

On Wednesday, the Year 5 boys set off for an exciting day of cricket. Although this was officially a Year 6 tournament, with our Year 6 pupils away on their PGL trip, Year 5 took the opportunity to step up and represent the school. They were eager for the challenge and ready to give it their all.

The day began with a few nerves showing, as the boys adjusted to the occasion. Excitement was running high, and a handful of early mistakes crept into their game. However, their ability prevailed, comfortably securing their first victory and setting the tone for the rest of the day.

With that first win under their belts, the boys went from strength to strength, demonstrating outstanding teamwork in the field and some superb batting performances. Their communication, support for one another, and positive attitude were evident throughout, helping them win every match in their group and progress to the knockout stages.

After battling hard, the team earned a well-deserved place in the semi-final. In a closely contested match, they gave everything but were narrowly defeated by a strong Newton Prep team by 4 runs.

While the semi-final result was disappointing, there was still plenty to celebrate. By finishing as one of the top two state schools in the competition, the boys have qualified for the finals on 7th July, where they will proudly represent Wandsworth. This is a fantastic achievement for a team playing above their age group, and every player should be incredibly proud of their efforts. Well done, boys, we look forward to cheering you on in the finals!
