Belleville News

5 June 2026

Dear Parents and Carers,

We are looking forward to tonight's Honeypot event (7pm for a 7.30pm start at Webb's Road), where Belleville presents a variety show (featuring a large number of staff!) to raise money for our Honeypot school fund. The event will be great fun and also tells us some important things. The purpose of the Honeypot is to create a fund of money that enables all children at our school to take part in all school events. We do not want any children missing out on trips and experiences because there may be financial constraints for that family at that time. Therefore, the Honeypot helps any families that find themselves in that situation. This is very important to us.

The second thing to note is the willingness of staff to make this event happen. It is indicative of the fantastic attitude to school life that we see in so many members of staff. No one is paid, or required to make this event happen, but they give up their time to organise it and perform in it. Staff do it because they think it is important and they are committed to it.

The driving force is Maria Petrou, and her attitude is representative of the staff right across the school who are willing to help and give up their time to do that. So thank you to Maria, and to all the staff, and we look forward to a fantastic night.

John Budden
Executive Headteacher

Mary-Lyne Latour
Headteacher

Online Safety Webinars

We are hosting an **Online Safety Webinar** for parents on **Friday 12 June at 9.30am.** The webinar will be led by the Digital Safety Academy and is designed to be practical, engaging, and highly relevant to the challenges families are currently facing online.

Topics include:
- Understanding today's social media landscape
- Key online risks facing children and teenagers
- Practical strategies for parents to support safe digital habits
- Tools and steps parents can implement immediately at home.

The session will run for approximately 60 minutes, including time for Q&A, and will provide practical, actionable guidance around supporting children safely in today's digital environment. **If you would like to attend this webinar, please complete the form sent by School Spider by Tuesday 9th June** and we will send you the Zoom link.

SWLSTG Education Wellbeing Service also hold webinars to support your child's wellbeing. Their next webinars are on **Managing Screen Time for Primary Children** on 10 June, 7pm and 11 June, 1pm.

Webbs Road, London SW11 6PR Meteor Street, London SW11 5NZ Tel 020 7228 6727 enquiries@belleville.q1e.org.uk

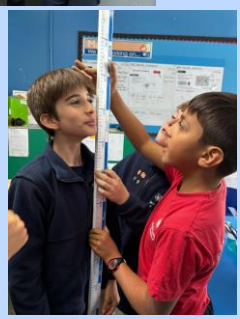
Year 5 Update

Year 5 have had a fantastic half term packed with exciting learning opportunities across the curriculum. In ICT, pupils explored stop-motion film making, developing their creativity and technical skills to produce their own animated clips. During DT Day, children worked collaboratively to design and build wind turbines capable of lifting buckets using wind power with plenty of enthusiastic puffing along the way!



Our rainforest topic has inspired thoughtful discussion and teamwork, as pupils researched the threats facing rainforests and explored possible solutions before preparing speeches to present to their peers at the end of term. In Science, Year 5 have been busy classifying the world around them and observing life cycles first-hand as we carefully raised caterpillars into chrysalises before watching them emerge as butterflies.

Alongside all of this, pupils have continued to immerse themselves in practical maths and problem-solving, particularly within our measurement unit, where hands-on learning and mathematical reasoning have been at the heart of lessons. In the last week of term, we had STEM workshops for the whole year group led by Eleni Price, who is the Institution of Civil Engineers (ICE) STEM Ambassador of the Year for London in 2025. Thank you for inspiring a new generation of Belleville's children into the world of STEM.

We think you will agree it has been a busy, creative and rewarding half term for all of Year 5 and our thanks again to our amazing community for all that you do to support our school.

PE Team Update

We are delighted to welcome Tom Ayling to Belleville as a specialist PE teacher, replacing Richard Simpson and joining George Pannell as part of our PE team. Tom is an experienced teacher with a strong commitment to inclusive and ambitious education. Following degrees in Physical Education and Sports Coaching, he has been teaching since 2017. As PE Subject Leader at Lime Tree Primary School, he has led PE and PSHE initiatives as well as organising extensive enrichment opportunities. Tom entered his previous school into numerous competitions across a wide range of sports including gymnastics, netball, cricket and swimming as well as organising the annual sports days and a borough-wide SEN sports day.

Year 6 Transition Webinars

Is your child getting ready to move to secondary school in September 2026? This transition can be exciting, but it can also bring uncertainty.

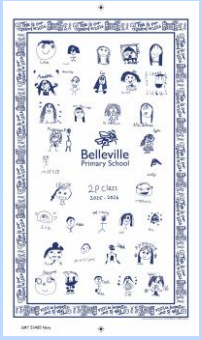
The Education Wellbeing Service is offering a webinar to provide practical ways to help your child feel more confident and prepared. This webinar will take place on Tuesday 23 June, Wednesday 8 July and Monday 10 August. To sign up, please visit their website.

Belleville PTA

Class Tea Towels 2025-26 now available to purchase

If your class opted in for the tea towel fundraiser project, the tea towels are now available to buy on the PTA website for £6 each. The kids and teachers have produced some great self-portraits. Your rep will have shared the design with your class, we hope you love them!

Please note: no purchases or orders have been made so far. When your rep asked if you'd like to buy one, this was purely an expression of interest. Please go onto the PTA website and make the purchase.



As well as being practical, these make great gifts for grandparents, or why not buy an extra one and put it in a memory box for your child?

All children on pupil premium will receive one free tea towel sponsored by the PTA. If your child is on pupil premium, you do not have to make any order, your child's teacher will have a tea towel for your child.

Orders close at 11pm on Wednesday 10th June. Please ensure you order the correct class design for your child(ren)!
