

Dear Parents and Carers,

Life in school continues to be very busy with all kinds of events to enhance your children's learning taking place. We are looking forward to offering more extra-curricular clubs next half term – look out for an email coming soon! We will also be surveying your children to gather their views as well as all of our parents and carers to get your feedback and ideas after the holiday.

We are currently reviewing what events we could offer in the final half term of the year as restrictions potentially lift – thank you for your patience as we work through the various logistics.

We wish you all a relaxing half term holiday and we will see you at the normal start times on Monday 7th June.

Best wishes,

Mary-Lyne Latour (Headteachers Infants)

Sarah Atherton (Headteachers Juniors)

Are you moving on?

At this time of year we have some families who move on from the school. If that is the case for you, please can you let us know as soon as possible by emailing: admissions@bellevilleschool.org

This does not change anything for you or your child in the final few weeks but does allow us to plan ahead and contact children on the waiting lists.

Where is your water bottle?

We have noticed a number of children are no longer bringing their water bottle to school. As the water fountains are currently switched off and the weather (hopefully) getting warmer, please do send your child to school with a refillable water bottle every day.

We're Quackers for Ducklings

The Nursery children have successfully hatched ducklings again this year as part of their learning about life cycles. As you can see, they loved holding and caring for them before they went to the farm this week.

Pirates in Reception

As part of their 'Under the Sea' topic children from Reception had a great day exploring being pirates – they also met a 'real' pirate over Zoom!
