

Use and impact of PE and Sport Premium funding for the 2022-23 academic year

Funding summary	
The amount of PE and Sport Premium the school received for 2022-23	£23,340
Total amount spent in 2022-23 (see report below for breakdown)	£21,796
INTENT: Our approach to PE, sport and physical activity	
<p>Belleville has a strong reputation for PE and sports and we strive to continuously develop this. Our wide-ranging PE and sports curriculum is designed to equip children with the knowledge, skills, and experience they need to lead active and healthy lives. We aim to foster a lifelong love of physical activity, promoting not just physical well-being, but also emotional and mental well-being.</p> <p>We provide a foundation in fundamental movement skills, building confidence and competence in a variety of activities. Children will learn about the benefits of exercise and healthy living, fostering positive attitudes towards physical activity. We encourage children to develop a love of movement and participation in physical activities. Our curriculum promotes healthy habits and choices, laying the groundwork for lifelong well-being.</p> <p>Through collaborative games and activities, children will learn the importance of teamwork, cooperation, and fair play. We will foster sportsmanship, respect, and positive communication skills. We offer a diverse range of activities, catering to different interests and abilities. This fosters a love of exploration and discovery in the world of physical movement. Physical activity plays a vital role in emotional and mental health. Our curriculum provides a safe and positive space for children to express themselves, manage stress, and build self-esteem.</p> <p>We introduce elements of competition in a structured environment, focusing on personal growth, effort, and celebrating individual and team achievements. This fosters a sense of resilience, goal-setting, and sportsmanship. We believe that a well-rounded PE curriculum is essential for the development of the whole child. By equipping them with the tools and love for physical activity, we empower them to lead healthier and happier lives.</p>	
IMPLEMENTATION: What we delivered in 2022-23	
<p>Our curriculum offers vibrant mix of activities that cater to all interests and abilities. Children explore a wide range of movement, from individual challenges in athletics like running and jumping to teamwork in games like tag or mini-basketball. They'll also delve into the creative world of dance, mastering coordination and expressing themselves through movement.</p> <p>Building a strong foundation is key. Lessons focus on developing essential skills like agility, balance, and flexibility through gymnastics and fun activities. No child is left behind! The curriculum is designed to be inclusive, offering modifications and support to ensure all children can participate and enjoy the benefits of physical activity.</p> <p>Learning extends beyond the halls and playground. PE lessons make connections to the science curriculum, exploring the link between movement, healthy eating, and overall well-being. Children develop communication skills too, learning to follow and give clear instructions, collaborate effectively within teams, and provide constructive feedback.</p> <p>The PE program doesn't stop at the school gates. Children are given opportunities to compete in community events, fostering a sense of accomplishment and a love for lifelong participation in physical activity.</p>	
IMPLEMENTATION (continued): How we used our PE Premium funding in 2022-23	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity	
<p>Swimming Clinics: Funding has been allocated to ensure that all children who were not able to reach their swimming proficiency levels are able to catch up in holiday clinics.</p> <p>Outdoor play: We purchased active playground specialist equipment for all year groups. Pupil voice shows that children have been excited by the introduction of new playground activities such as flyball and volleyball.</p>	£1960
Key indicator 2: The profile of PE, sport and physical activity being raised as a tool for school improvement	
<p>Communications: We continued to develop our website, communications and displays to promote PE/sports, encourage increased participation and boost parent engagement.</p>	£1982

Flashmob Project: Year 6 leavers worked alongside a professional choreographer to ensure that their community performance could be performed to the whole school and parent cohort.		
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport		
<p>Complete PE: We used this interactive resource to support curriculum improvements, planning, and resources, and to improve teachers' knowledge of year-group appropriate sports and games.</p> <p>Get Set 4 – Primary PE Curriculum: Guided teacher and specialists in devising our PE curriculum</p> <p>Wandsworth School Sport Network: Membership allows teachers and specialists access to CPD through training three times per year</p>	£2453	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils		
<p>Summer of Sports: To encourage children in being active, all children had access to multiple funded clubs before and after school. This significantly extended our existing provision.</p> <p>Swimming: Provision in addition to our standard curriculum, exceeding national curriculum requirements. Swimming clinics during holidays. Supporting resources e.g. caps and goggles.</p> <p>Pop Lacrosse: This sport was formally introduced, both within the curriculum and as an extra curricular activity.</p> <p>Broadening the range of sports within the curriculum: Hockey and Ballet were both introduced at different stages of the curriculum</p>	£8421	
Key indicator 5: Increased participation in competitive sport		
<p>Inter-school events: Pupils increased opportunities to represent their school in competition, including tournaments, festivals and swimming galas. Transport to these using private coach hire / minibus.</p> <p>Intra-school events: All children given the opportunity to compete at sports day.</p>	£6980	
Total spend		£26,756
IMPACT: The impact of our PE provision on physical activity, sports participation and attainment:		
<ul style="list-style-type: none"> • Positive impact on physical fitness / health of all children • Improves children's overall wellbeing (mental health) • Communication skills improve • Sense of healthy competition fostered • Transfer of skills into sports teams / individual events outside of school • Success in tournaments, leagues and festivals • Sport provision being a reason parents choose to come to Belleville • Greater engagement in physical activities throughout the school day. • Greater participation in sports by targeted groups of pupils (pupil premium, SEND and reluctant engagers). • Professional skills development of both specialist and less experienced teachers. • Pupils are better able to articulate how PE/sports connect with school values. • Links through local sports partnership have long term benefits • Competitions establish a 'legacy', providing examples for future pupils of what they can achieve. • Staff have greater confidence in using online resources/ICT tools/remote learning to strengthen curriculum. • High quality, sustainable resources that will last well and benefit pupils for years to come. 		
Swimming proficiency:		
As part of the funding agreement, we are required to report on the following for the 2022-23 Year 5 cohort:		
Percentage of Year 5 cohort able to swim competently, confidently and proficiently over 25 metres	85%	
Percentage of Year 5 cohort able to use a range of strokes effectively (e.g. front crawl, backstroke)	90%	
Percentage of Year 5 cohort able to perform safe self-rescue in different water-based situations	94%
