

INTENT: Our approach to PE, sport and physical activity

Belleville has a strong reputation for PE and sports and we strive to continuously develop this. Our wide-ranging PE and sports curriculum is designed to equip children with the knowledge, skills, and experience they need to lead active and healthy lives. We aim to foster a lifelong love of physical activity, promoting not just physical well-being, but also emotional and mental well-being.

In the Academic Year 2024 – 25, we intend to spend the funding on, among other things:

Swimming Clinics: Funding has been allocated to ensure that all children who were not able to reach their swimming proficiency levels are able to catch up in holiday clinics.

Outdoor play: We will purchase active playground specialist equipment for all year groups. Pupil voice shows that children have been excited by the introduction of new playground activities.

Communications: We continue to develop our website, communications and displays to promote PE/sports, encourage increased participation and boost parent engagement.

Get Set 4 – Primary PE Curriculum: Guided teacher and specialists in devising our PE curriculum

Wandsworth School Sport Network: Membership allows teachers and specialists access to CPD through training three times per year

Summer of Sports: To encourage children in being active, all children had access to multiple funded clubs before and after school. This significantly extended our existing provision.

Swimming: Provision in addition to our standard curriculum, exceeding national curriculum requirements. Swimming clinics during holidays. Supporting resources e.g. caps and goggles.

Broadening the range of sports within the curriculum: Zumba was re-introduced and key staff were trained in implementation.

Inter-school events: Pupils increased opportunities to represent their school in competition, including tournaments, festivals and swimming galas. Transport to these using private coach hire / minibus.

Intra-school events: All children given the opportunity to compete at sports day.
