

Battersea Education Wellbeing Service

Our wellbeing practitioners are trained to support children, young people and families to build their emotional understanding, wellbeing and resilience.

Is your child...

Anxiety

- Often telling you they are feeling worried?
- Complaining of stomach aches or sickness?
- Regularly irritable, tearful or clingy?
- Avoiding certain places, things or situations?
- Finding it difficult separating from you?

If YES, please join us for a **parent coffee morning** to find out more about the support we can offer!
